- MySQL Database Managment

Experiences

FrontEnd - Web Developer

SnappCarFix / CarFillo

[React](#), [Wordpress](#),

March 2021 -present
Isfahan, Iran
Full-time

SnappCarFix is an online platform for Car parts and services, backed by Snapp (Uber clone). It includes web apps for Stores, ServiceCenters, Agents, and Sellers, to offer products/services like oil, battery, engine parts, car wash, etc, with 7 delivery/service solutions per product. CarFillo sells products to service centers, it's an Online Shop, which service centers gain credits here based on their services on SnappCarFix.
